

YOUTH IS MISSING; FOUL PLAY FEARED

Disappears After Getting a Letter from Philadelphia—No Word of Him.

Mr. and Mrs. Maurice Solomon, of No. 224 Decatur street, after a week's search for their missing son, Simon H. Solomon, fear that some harm has come to him. The youth is twenty years old and was employed by the International Trucking Corporation at No. 80 Wall street, until a week ago yesterday, when he disappeared in a strange manner.

According to his fellow employees he received a letter from Philadelphia and after reading it put on his hat and coat. He left the office, saying he would be back in ten minutes. Then he vanished completely, and none of his friends or relatives has been able to get any trace of him.

His father said to-day that the youth was quiet and steady. He had never left home before for even a day without letting his mother know where he was. Therefore they believe that if some harm had not come to him he would have sent word to her of his whereabouts before this. Young Solomon is 6

SAN FRANCISCO, April 3.—J. A. Bratton, President of the San Francisco Gas and Electric Company, estimated the loss at \$2,500,000 in last night's fire. He says that it was a \$7,000,000 plant and that over one-third of it was destroyed.

The city was in darkness last night, the fire cutting off the gas and electric supply.
